They promised me delivery this week early; I have a e-mail in to them for an up date. I will call this morning. Sorry for the delay. Will update you as soon as I can get info, but for now we are waiting on the manufacturer to deliver the order.

I'm getting a little heat from the big dogs who want us finished and out of there. If you're thru coddling Mr. Ruhl, have you gotten any good news from Delfasco?
